The Glorious Church Conference

"When praying before our recent School of Eschatology about what our subject would be, my mind ran to the Book of Daniel, or perhaps, Jeremiah. But as I sought the Lord, His leading was so strong, 'The Book of Ephesians and The Glorious Church.'" I called Dr. Larry Ollison who had invited us to do the seminar using their church in Osage Beach,

Missouri. He literally shouted. It was a confirmation of how the Lord had been dealing with him. The subject is not new to me. It has occupied my study for about 25 years.

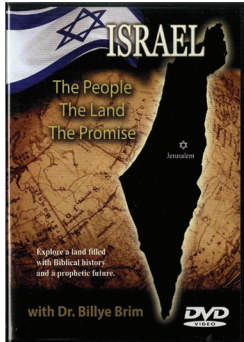

Though we often think of "Eschatology" as having to do with Israel and the Nations of Prophecy, there is another group. The Church, the Body of Christ looms large in the plan of God now, and in the ages to come. Who is the Ecclesia? What is her association with the revelation of God's Glory? What is her place? Where is her realm of operation?

Oh! We had a meeting! And at the end, I felt somehow "satisfied" with the teaching. Perhaps it was the time we got to spend in two sessions a day for a week. Certainly it was the anointing the Lord blessed the teaching with. And then, even in a seminar like this, we had a "Holy Ghost Meeting." It's difficult to describe, but it is there in the CDs and DVDs." *Billye Brim*

Israel. There is no other place like it in the world. But what is it about this land that makes it the center of the world's attention? Is it the Millennia of profound Biblical history? The mystery of ever-unfolding Biblical prophecy? Enjoy images from the Holy Land as Billye Brim & others share about this important issue.

The Purpose of Tongues and the Glorious Church

"Dr. Ollison invited me to speak at his Sunday services before the Glorious Church Conference began on Monday. Right away an anointing came that was to rest upon us throughout the week. On Sunday morning I was led to tell my dream about Tongues, which I recently shared in a partner letter. You will be able to pick up the Spirit of the dream. It is one of only three dreams which I could say with conviction that they were from the Lord. This one is for this hour. And the

telling of it was with power. I feel so strongly about getting these into your hands! Please order them and then listen or watch and consider them with your heart. (If you are someone who simply cannot afford to buy them even at this special price, write us and we'll send the CDs to you free.)" *Billye Brim*

The Authority of the Believer

By John A. MacMillan

"There are few subjects relating to the Christian life [with] so little exact knowledge as that of the authority of the believer," says John A. MacMillan, author and missionary to China (1940's and 50's). "And fewer still are willing to acknowledge their position in the heavenlies and assume the privileges and responsibilities it involves."

This once out-of-print book has quickened Billye Brim and many others to take their place daily—*seated with Christ far above principalities and powers...*
