

Dear Friends,

I want to express my thanks to you for your willingness to give into this ministry. I know that I could not obey what God has called me to do in these last days, emphasizing the significance of prayer preceding any awakening in history, without partners enabling us in all the good works He has ordained us to do.

I know that God's blessing upon your lives will abound standing on this Promise from Him, "He, who provides seed for the sower and bread for eating will also provide and multiply your [resources for] sowing and increase the fruits of your righteousness which manifests itself in active goodness, kindness, and charity]" (AMP 2 Corinthians 9:10).

Thank you for your generous spirit.

In Him,

Billye Brim
