SPEAKERS

CHIP BRIM

In 1998 Chip Brim left a successful baseball coaching career to fulfil the call to the ministry. "Now it's time!" the Lord said to him, "I have taught you to train champions in baseball; now it is time to train Champions for Christ. I desire for my people to be champions—people who always prevail in the Last Days!"

Chip is a powerful speaker, preaching all over the United States, where the Lord confirms His Word with salvations, healings, and deliverances. He uses the same principles God taught him about training champion teams with a supernatural anointing to build Champions for Christ in the Church.

In addition to the traveling ministry, Chip and his wife, Candace, also serve as associate pastors at *A Glorious Church Fellowship* in Collinsville, OK.

BILLYE BRIM

Billye Brim was editor of publications for Kenneth Hagin Ministries for 10 years, and then answered the call to travel and minister full time. In 1986 she went to Israel to study Hebrew and to watch Bible prophecy unfold in the Holy Land. She has since led yearly tours to Israel and has purchased ministry property near the Sea of Galilee.

Billye considers her ministry to be that of a witness – to witness the work of the Lord and tell others about it. Her life has been blessed and enriched by close association with people wholly given to God, particularly in prayer, who were a part of the move of the Holy Spirit in the twentieth century. She is founder of *Prayer Mountain in the Ozarks* and her ministry has traversed the globe through thousands of audio and video recordings, books, and publications.

STEVE MUNDS

After graduating from Bible college, Steve Munds and his wife, Becky, moved to Louisiana where Steve became the youth pastor at *Life Tabernacle* church. In 13 years the youth ministry grew from 12 to 800 young people. In 1987, Steve and Becky moved to Minnesota and he became youth pastor at *Living Word Christian Center*. In 2001, Steve became Living Word's youth evangelist and leader of Go Ministries – an internship program to train seekers and pursuers of God's heart through anointed praise and worship, drama, and the preaching of the Word. During Steve's 35 years of youth ministry, he has become one of the most sought-after youth speakers in the nation, ministering at camps, conferences, and churches.
