

THE BOOK OF REVELATION

INTRODUCTION: The first two sessions
of an in-depth study of the Book of
Revelation with Billye Brim.

MESSAGE 1:

The Revelation of Jesus Christ

MESSAGE 2:

The Ineffable Name of God

At the leading of the Lord we are beginning an in-depth study of The Book of Revelation in our Sunday Afternoon Prayer Sessions at Prayer Mountain.

In following His instructions to pray as you study, we have experienced His Presence and the enlightenment His Holy Spirit brings. So, we are led to share the first two inspirational sessions with you. We trust you will be encouraged to study this prophetic book, and to receive the blessing the Lord promised to those who read or hear this New Testament Book of Prophecy.

Some of the foundational facts we examined in such enlightenment were:

- The Importance of Prophecy
- The Church Not Appointed to Wrath
- Revelation from the Hebrew Language on the Ineffable Name of God
- Aleph Tav - The Untranslatable Word in Genesis One

Billye Brim's notes used in these two sessions are included.
