

Something **GOOD is HAPPENING**

by Billye Brim

Immediately upon hearing that Oral Roberts had departed from earth to Heaven, I took a 7-page handwritten letter he had written me and held it in my hands, reading it as I prayed. I was praying particularly about a revelation it referred to that something would happen at his departure. So I was a little surprised to hear these exact words from the Lord: *Oral Roberts knew to tap the power. Others simply lap the power. They run laps around it as if it were a burning bush.*

I knew He was talking about the power as translated from the Greek word *dunamis*. *Dunamis* is inherent power; the power of reproducing itself: from which we have English dynamics, dynamo, etc. Jesus said, "You shall receive *dunamis* after the Holy Ghost is come upon you" (Acts 1:8). Later, a Bible example was shown me. The woman with the issue of blood. Jesus knew in Himself "that *dunamis* had gone out of Him" (Mark 5:30). She tapped the *dunamis*. The crowd simply lapped it.

I remembered witnessing the *dunamis* of God flow through Brother Roberts' hands into my son's back. In fact he referred to it in his letter. In July 2007 Chip and I spent a day with Brother Roberts in his home. Pain from an old football injury held Chip like a vice and he could barely walk. Brother Roberts laid hands on Chip's back. Chip felt something flow into him. He said it felt like lightning and fire. He was instantly healed and remains so.

The occasion of Oral Roberts' letter to me was that July 2007 visit. In the letter he wrote, "I felt God's healing power **TOUCH** his back."

Yet what I was praying about was something else the letter confirmed.

A few years before our visit, I'd heard Brother Roberts say, "I'm going home when I am 87. I know what happens to the body and I want to go home at 87."

When I heard him make this announcement my daughter, Shelli, and I were at a meal with Oral and Evelyn Roberts, and Kenneth and Gloria Copeland.

I said, "Oh, please don't go Brother Roberts, we need

you. And I was going to invite you to be with us at our annual prayer meeting in Branson."

Evelyn piped up and said, "Oh, he doesn't like to travel. But I do. After he leaves, I'll come to Branson."

But Evelyn left first. And after her departure, Brother Roberts was even more determined to go home. So I knew he'd been trying to go and I knew what the Lord was talking about when I heard these words as we sat on the plane en route to visit him in July 2007:

Tell Oral Roberts some can choose the date of their departure as is revealed in the writings of the Apostle Paul. But some cannot; for the dates of their departures are in the sovereign plan of God. Two who cannot choose are Billy Graham and Oral Roberts. Their departures are in the sovereign plan of God and at their departures there will be a major shift in the heavenlies.

In his letter to me after our visit he wrote, "Finally, please know that I received your prophetic word that in finishing my course that at my death SOMETHING EXTRODINARY will happen by the Holy Spirit. My response is to continue obeying God and walking THROUGH the valley of the shadow of death. (Not lying down in that valley and giving up.) I am at great peace, I fear no evil, for Jesus, the Good Shepherd is with me. Blessed be His Name!.....With my whole heart, Oral Roberts"

That's what I was praying about as I held the letter. I have since received only a glimpse of what happened. But I believe it's SOMETHING GOOD!!!
